BRS MEMBERSHIPS

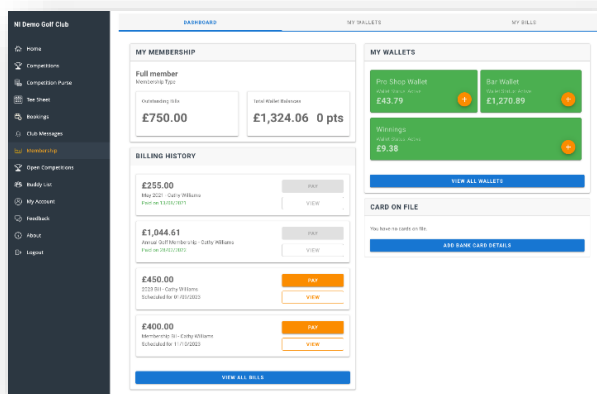

What is BRS Memberships?

BRS Memberships is a new membership management platform, developed by BRSGolf and GOLFNOW. This allows your golf club to administer manage member subscriptions, send out bills and manage payments online.

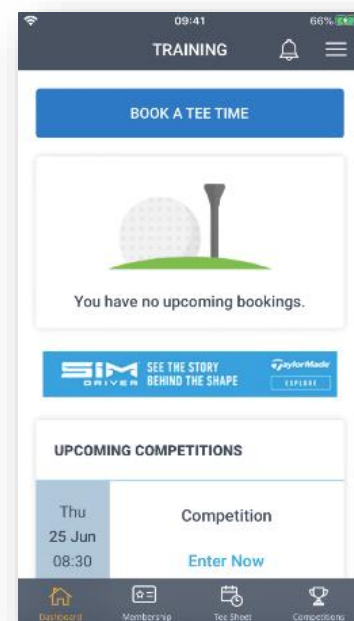

This document will guide you through the processes of viewing and paying your bill, signing up to a payment scheme and changing your bank card details.

The BRS Memberships system is available in both the BRS Members Booking Module and the APP which means that you can view and pay your bills in either.

Browser version looks like this:

APP looks like this:

To see this, simply log in with your usual username and password.

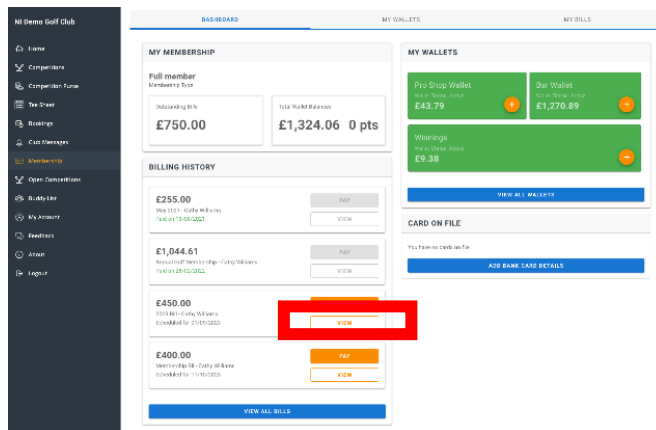

When you choose the Membership option, you can see the dashboard which shows a summary of your membership, your billing history, wallets (if applicable) and card details.

Your Bill

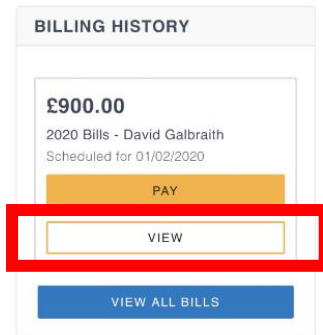

Paying your bill

If you have a membership bill to pay you can view it in the dashboard. To see the details of the bill, choose the **View** option in the Billing History section.

Browser:

APP:

The bill details will show you the individual items included and the gross amount for each. From here you can pay your bill in full or in part or you may have the option to set up recurring payments.

Full or Part Payment

Please read the communications from your club which may specify instructions around bill payments.

To pay your bill in full or in part, choose **Pay**.

PAY BILL

If your club allows, you can make a part payment by inputting the amount you wish to pay and choosing **Pay Bill**. If your club does not allow this, the Amount to Pay field will be set to the total amount for your bill.

Choose **Pay Bill** and complete the mandatory fields, marked with an * - these are required by Stripe to complete your payment. If your address details are stored in your BRS profile they will display here, otherwise complete the details.

Then complete your card number, expiry date and CVC number and choose Pay Bill. Also, you may be asked to input your postcode/Eircode.

The instalments will be displayed in the My Bills section in Payment History. As each payment completes the status will change from Scheduled to Complete. Any payment that fails will display as failed, for example if your card details have expired this may result in a failed payment.

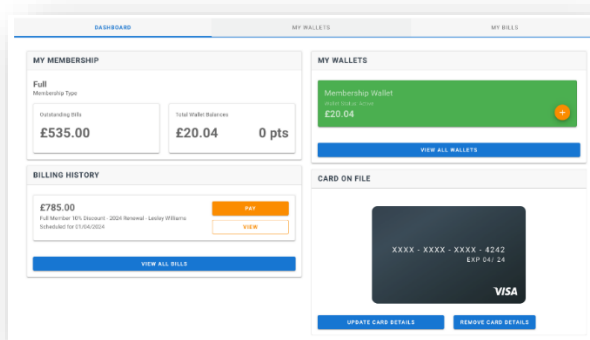

Should your scheduled payment fail you will receive an email to notify you. The system will attempt to take that scheduled payment every day for 5 days, if it continues to fail please contact your golf club.

CHANGING YOUR CARD DETAILS

Changing your card details

Once you have made a payment or signed up to a recurring payment, the card details that you input are stored in your Stripe customer record. NB. They are NOT stored in the BRS system and are NOT visible to anyone in your golf club.

The dashboard displays that you have card details on file

If you wish to change card details for any future payments or scheduled payments, simply choose **Update Card Details** and complete the form as before using your new card details.

TOPPING UP YOUR WALLET

Topping Up Your Wallet

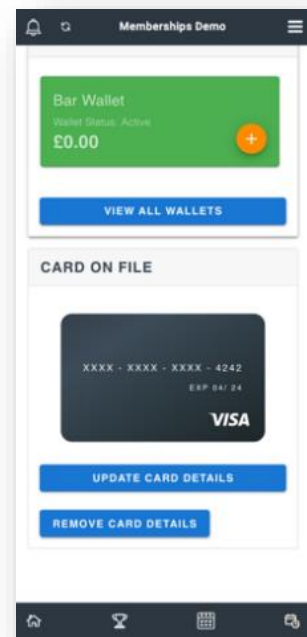

If your club is using the BRS ePos system you may have one or more wallets that you can use to spend in the clubhouse bar, pro shop etc.

You can see the balance in your wallet(s) on the Dashboard page.

Browser version looks like this:

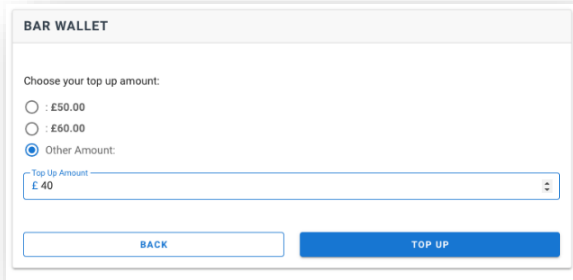

APP version looks like this:

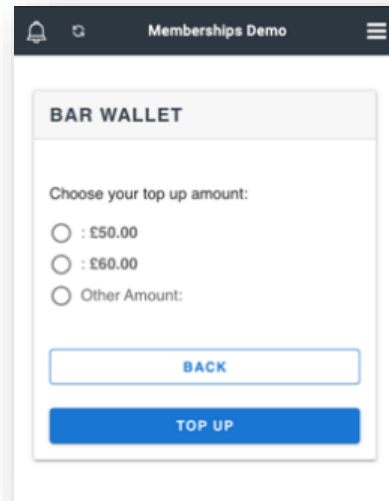

To add money to that wallet, click on the  icon.

Then you can select the amount you want to top up or input the amount to top up.

Browser version looks like this:

APP version looks like this:

If you have card details in your profile when you click Top Up, the top up will complete and the funds will be added to your wallet. If you do not have card details in your profile, you will be asked to complete the card details, as before.

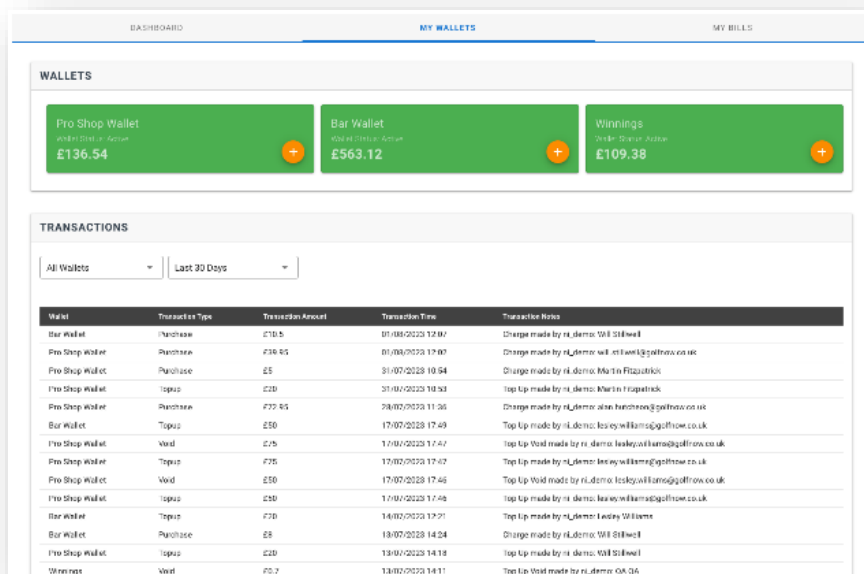

As this is an online payment, you will receive a notification from your banking app to confirm the payment. Once you've confirmed in your banking app, return to BRS and your payment will be completed.

VIEWING WALLET TRANSACTIONS

Viewing Wallet Transactions

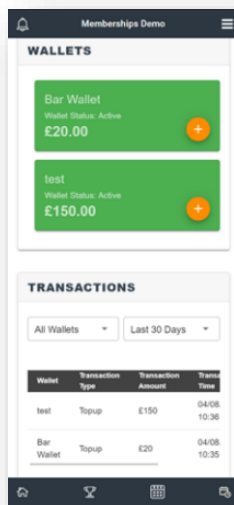

If your club are using BRS ePOS then at any point you can view the transactions processed on your wallet. On the Dashboard page, go to My Wallets, or choose View All Wallets, from there you can see all transactions on all wallets or you can use the filter to select an individual wallet.

TOPPING UP YOUR COMPETITION PURSE

Topping Up Your Competition Purse

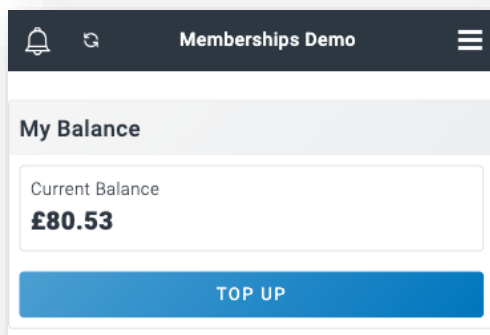

The Competition Purse is NOT to be confused with a Wallet. If your club uses the Competition Purse, the Competition Purse is used solely to pay for your competition entries and is entirely separate from the wallet. Funds in the Competition Purse cannot be used to pay for goods in the clubhouse and vice versa, funds in your Wallet cannot be used to pay for your competition entry.

Your Competition Purse balance is visible on the Home page.

Browser version looks like this:

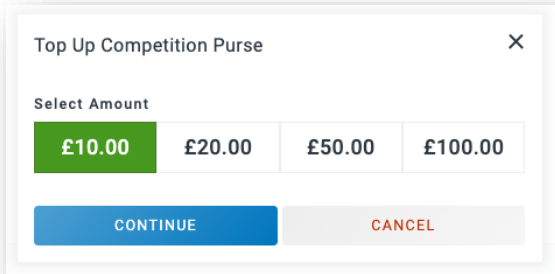

App version looks like this:

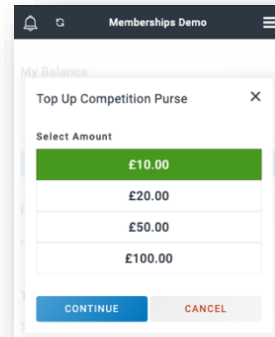

Click Top Up to add funds to your purse. You will be asked to select the amount you wish to top up by.

Browser version looks like this:

The browser version of the 'Top Up Competition Purse' modal features a title bar with a close button (X). Below the title, it says 'Select Amount'. There are four buttons for selecting an amount: £10.00 (highlighted in green), £20.00, £50.00, and £100.00. At the bottom, there are two buttons: 'CONTINUE' (blue) and 'CANCEL' (grey).
