Flex Membership is a new feature based on the BRS Memberships solution, developed by BRS Golf and GOLFNOW. Flex Membership allows you, as a member, to have a wallet that holds points, points are deducted for each booking and you can top-up your wallet online. This guide will show you how to use Flex Membership through the BRS Members Booking Module and/or the BRS Members APP.

As a member using the Flex Membership feature, you will see the My Membership and Points Matrix displayed on the home page through your existing member login.

Points Wallet

Your current points balance will display in the My Membership section of the home page. Your club may have transferred points from an existing system, if used. Later in this guide you will see how you can top up your points wallet.

Points Matrix

The Points Matrix displays the number of points it will cost you to play for the next 7 days in the time bands your club has created. By tapping or clicking on 9 Holes or 18 Holes you can view the points it will cost you to play.

If you have a specific date you want to play, you can click on the calendar and select it,

the points matrix will refresh and display the selected date as the starting date.

If you have insufficient funds to make a booking, you need to top up your wallet. On the Home page, click Top Up:

- Choose the amount you wish to top up. You may have the option to select Other and

input the amount you wish to top up.

FLEX POINTS
This is a points-based wallet. Online payments are converted to points with the following conversion rate: £1 gives 1 point(s) unless otherwise stated.

Choose your top up amount:

☐ £400.00 for 400 points
☐ £300.00 for 300 points
☐ £200.00 for 200 points
☐ £100.00 for 100 points

BOOKING RULES

BUGGIES

There are 15 buggies available on this tee time.

You may book 9, 18 holes.

RESTRICTIONS

You can book a tee time on the BRS Golf Club - Training course subject to the following restrictions:

You can book Mon, Tue, Wed, Thu, Fri, Sat, Sun until 31 Dec, 2021.

PRICING

Booking 18 holes will cost 5 point(s), plus an additional 5 point(s) for each guest you add.

When you make a booking, either for a competition or for casual golf, points will be deducted from your wallet for you and any guests you have included in your booking. If you include another flexible member in your booking, they will pay for themselves through their own points wallet.

The booking details displays the number of points the tee time will cost you, highlighted above.

If you have insufficient points in your wallet the booking will not complete.

Once the booking completes, the points will be deducted from your wallet.

Any amendments to a booking may result in points being refunded to your wallet, if, for example, you remove guests from your booking.

If you cancel a booking, all points will be refunded to your wallet.

You can view your wallet transactions through Membership > My Wallets. All wallet top ups

and purchases are shown for the last 30 days.
