FLEX MEMBERSHIP

What is Flex Membership?

Flex Membership is a new feature based on the BRS Memberships solution, developed by BRSGolf and GOLFNOW. Flex Membership allows members to have a wallet that holds points, points are deducted for each booking and members can top-up their wallet online.

Flex Membership is a self-managing solution and fully integrated with your BRS Golf payments, teesheet, members website and app. Although it is based on the BRS Memberships solution, Flex Membership can be enabled independently of it.

This document will outline the different parts of Flex Membership which need to be set-up in order to use the Flex Membership system effectively. To start, navigate to the Memberships area in BRS, then click the Settings icon (highlighted below) in the top right to access the system settings.

PRE-REQUISITES

Online Payments

Flex Membership uses our online payments solution, known simply as 'Payments', to handle online payments.

If your club does not already use our online Payments solution, some setup will be required to create your 'Payments' account. This will allow your members to top-up their flex wallet.

The Payments platform developed by BRS is designed specifically for golf clubs and ties into many other aspects of your BRS system. Visitor green fees booked through BRS will be pre-paid online, along with entries into Open Competitions. When paired with our Competition Purse module it can be used to manage Member Competition Payments. Payments also unlocks 'Virtual Terminal' and 'Pay-by-link' functionality, the latter being a great tool for taking society payments.

If you have not yet completed the set-up of your Payments account, please contact our support team on support@brsgolf.com or your BRS Memberships onboarding contact to arrange this.

SETUP – MEMBERSHIP TYPES

MARK MEMBERSHIP TYPES AS FLEX

There is a list of membership types in Tools > Membership Types and in Memberships > Membership Types. Both are kept in sync automatically.

However, you will need to identify the membership type(s) that are Flex Membership.

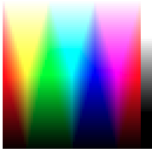

- In **BRS**, go to Tools > Membership Types
- Click Edit for the membership type you want to change, tick Flex and click Update.
- In **Memberships**, go to Membership Types.
- Click Edit for the membership type you want to change, tick Flex and click Update.
- It is important that this is completed in **BOTH** BRS and Memberships.

SETUP – FLEX WALLET

FLEX WALLET

Flex Membership supports a single points based wallet which can be assigned to members.

In Memberships, Settings, click on the Wallet button. Click Create Wallet and complete the relevant fields:

- Name
- Description
- Status
- Unit Type – must be set to Points for Flex Membership.
- Auto assign – set to Yes to automatically assign this wallet to the membership type with Flex set to Yes.
- Credit Limit - Set a negative value to allow a member to be overdrawn or set to zero to prevent someone from overdrawing.
- Member Top-Up Options - this applies to Flexible members topping up points wallets.
 - Allow member to type in an amount to top up - tick the box to enable this. Then set the number of points that equals £1/€1.
 - Top-up Options – set one or more top-up amounts and the points these equate to.

Click Create to add the wallet or Create and Assign to assign the new wallet to All members, Selected members or Selected membership types.

SETUP – POINTS MATRIX

CREATE A POINTS MATRIX

The Points Matrix is where you define how many points members must “pay” in order to book a tee time. Points will be deducted from the members’ wallet for themselves and any guests they include in their booking. Each flex member will pay for themselves.

To create the Points Matrix, go to Tools > Green Fee Rates and click Add Green Fees. Complete the following fields:

- Category – must be Member
- Sub Category – give the points matrix a name i.e. Flex Members 18h
- Holes – choose either 18 Holes or 9 Holes
- Start Date – set the start date for the rate
- End Date – set the end date for the rate.
- Associate this green fee with membership plans – must be ticked.
 - Choose Selected Membership Types ONLY
 - Then select each Membership type this matrix applies to i.e. each Flex Membership type.
- Click Add Availability and complete the details. You can have multiple availabilities to represent the different price points within a given day, simply click Add Availability for each time band.

Availability										
Name Suffix	Start	End	Mon	Tue	Wed	Thu	Fri	Sat	Sun	
	05:00	10:30	10	10	10	10	10	20	20	✖
	10:31	14:00	20	20	20	20	20	40	40	✖
	14:01	23:59	10	10	10	10	10	20	20	✖

Add Availability

- Name (optional)
- Start tee time – set the time to the first tee time or before
- End tee time – set the time to the last tee time
- Input the number of points to play Monday through Sunday
 - You can have different points on different days
 - You can leave a day blank which means that members are unable to book in that time band.
- Click Add Override and complete the details. Overrides allow for bank holidays and other dates where the number of points to play would be different than a normal day. Complete the details

SETUP – POINTS MATRIX contd

🔍 Overrides

Name Suffix	Start	End	Mon	Tue	Wed	Thu	Fri	Sat	Sun	
	Date 3 Aug 2020 Time 05:00	Date 3 Aug 2020 Time 23:59	40							✖

Add Override

- Name (optional)
- Start Date – set the date the override applies to
- Start tee time – set the time to the first applicable tee time
- End Date – set the date the override ends. This can span multiple days
- End tee time – set the time to the last applicable tee time. If the override spans the whole date the tee times can be set to start at 05:00 and end of at 23:59.
- Input the number of points to play
 - Where the date is a single day, input the points into the corresponding day of the week
 - Where the dates span multiple days, input the points into each day that applies.
- Click Create

NOTE: It is important to create a Points Matrix for non-flex members that has 0 as the number of points applying each day. Simply follow the steps above, selecting non flex members when associating the green fee with membership plans.

SETUP – ASSIGN WALLET

Assign a Wallet

When you add new Flexible Members to the system you will need to assign wallets to their profile, unless you have set the Wallet to be auto assigned. In Memberships, the actions column in the Flexible Members panel on the dashboard will identify any member that doesn't have a wallet assigned yet.

FLEXIBLE MEMBERS								
								VIEW ALL PAYMENTS
Name	Email	Membership Type	Status	Start Date	Wallet Name	Points	Actions	
Carney, John		Flexible Membership	Active		-	-	ASSIGN WALLET	
Benson, Fred	fb@golfnow.co.uk	Flexible Membership	Active		Flex Points	392	EDIT BALANCE	
Byrne, Shane	sb@golfnow.co.uk	Flexible Membership	Active		Flex Points	7	EDIT BALANCE	
Chambers, Dean	leslev.williams@golfnow.co.uk	Flexible Membership	Active		Flex Points	200	EDIT BALANCE	

You can sort the list of members by clicking on the column name, in the above example click on Actions to display all members that have Assign Wallet first.

Click on the Assign Wallet button, which takes you to the Wallets page in Settings.

- Click Assign on the Flex Membership wallet.
- If you choose Selected Members you assign the wallet to an individual member
 - Use the filter to find the member in the list by typing their last name or firstname
 - Select the member in the list
 - Click Assign
- If you choose Selected Membership types you will assign the wallet to all members within the membership types that don't already have a wallet assigned.
 - Use the filter to find the membership type in the list
 - Select the membership type in the list
 - Click Assign

SETUP – WALLET BALANCE

Edit a Members Balance

At any time you can edit the balance in a members' wallet, you may do this to create an initial balance, to top-up their wallet from a cash payment, to top-up their wallet with competition winnings or to clawback any unused points.

Firstly find the member record:

- Through the dashboard
 - Scroll to find the member in the list
 - Click Edit Balance
- Through the Members page
 - Use the filter to find the member
 - Click on their name
 - Click Account Balances
 - Click Edit Balance

FLEX POINTS FOR JOHN CARNEY

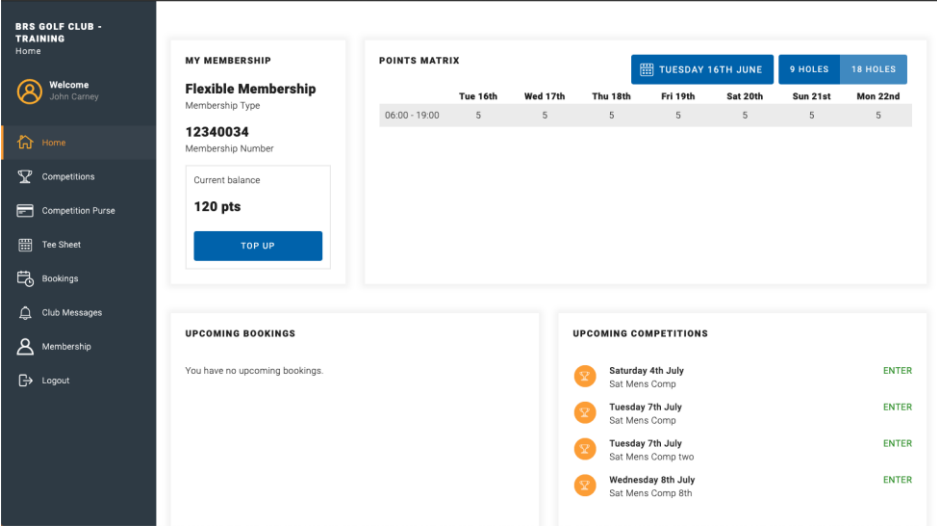

Current balance	
205.00	Points

Topup	
Record payment	
☒ Check this box if you would like to record a payment for this transaction, e.g. cash taken or to charge the member's card.	
Payment type *	
Select payment type...	
Choose a top up amount *	
☐ £400.00 for 400 points ☐ £300.00 for 300 points ☐ £200.00 for 200 points ☐ £100.00 for 100 points ☐ Other	
Transaction notes	

Complete the details as follows:

- Transaction type
 - Topup – adds extra points to the members wallet
 - Clawback – reduces the members wallet
- Record payment – tick this box if you want to record a payment transaction for this topup. If you are transferring existing balances from another system, you should untick this box.
- Select payment type

- Online – use this to take a payment using the member's card details. The system will ask you to complete the members card number, expiry date and cvc.
 - Any other payment method – sets the payment method to display for the topup transaction.
- Top up Amount – select the amount from the options available or select Other to input a different points amount - this MUST be points. *If you have received a cash amount don't forget to convert that to points, based on the value you set in the Flex Wallet setup.*
- Transaction Notes – put a description of the transaction. These notes will be visible to the member in their wallet transactions.

MEMBER FUNCTIONALITY

The screenshot displays the BRS Golf Club Training app interface. On the left is a dark sidebar with navigation options: Home, Competitions, Competition Purse, Tee Sheet, Bookings, Club Messages, Membership, and Logout. The main content area is divided into several sections:

- MY MEMBERSHIP:** Shows 'Flexible Membership' as the membership type, membership number '12340034', and a current balance of '120 pts' with a 'TOP UP' button.
- POINTS MATRIX:** A table showing points for the next 7 days. The selected date is 'TUESDAY 16TH JUNE'. The table has columns for dates and time slots (06:00 - 19:00) for 9 and 18 holes.
- UPCOMING BOOKINGS:** A section stating 'You have no upcoming bookings.'
- UPCOMING COMPETITIONS:** A list of upcoming events with an 'ENTER' button for each.

	Tue 16th	Wed 17th	Thu 18th	Fri 19th	Sat 20th	Sun 21st	Mon 22nd
06:00 - 19:00	5	5	5	5	5	5	5

Date	Event	Action
Saturday 4th July	Sat Mens Comp	ENTER
Tuesday 7th July	Sat Mens Comp	ENTER
Tuesday 7th July	Sat Mens Comp two	ENTER
Wednesday 8th July	Sat Mens Comp 8th	ENTER

New Functionality for Members

Your flex members will be able to view their Wallet Balance and the Points Matrix through their existing member login.

Points Matrix

The Points Matrix displays the number of points it will cost to play for the next 7 days in the time bands you have created. If you have both a 9 and 18 hole points matrix, the member can flick between them by clicking or tapping 9 Holes or 18 Holes.

If the member wants to view beyond the 7 days that are displayed, they can click on the calendar and select their preferred date. The points matrix will refresh and display the selected date as the starting date.

CREATE BOOKING (10 PTS)

BOOKING RULES

BUGGIES
There are 15 buggies available on this tee time.
You may book 9, 18 holes.

RESTRICTIONS
You can book a tee time on the BRS Golf Club - Training course subject to the following restrictions:
You can book Mon, Tue, Wed, Thu, Fri, Sat, Sun until 31 Dec, 2021.

PRICING
Booking 18 holes will cost 5 point(s), plus an additional 5 point(s) for each guest you add.

When a member makes a booking, either for a competition or for casual golf, points will be deducted from the members wallet for themselves and any guests they include in their booking. Flexible members pay for themselves through their own wallets.

The booking details displays the number of points the tee time will cost, highlighted above. Once the booking completes, the points will be deducted from the member's wallet.

Top Up a Wallet

When the member has insufficient funds to make a booking, they will need to top up their wallet. On the Home page they can click Top Up:

FLEX POINTS

This is a points-based wallet. Online payments are converted to points with the following conversion rate: £1 gives 1 point(s) unless otherwise stated.

Choose your top up amount:

☐ £400.00 for 400 points
☐ £300.00 for 300 points
☐ £200.00 for 200 points
☐ £100.00 for 100 points
☒ Other

Other Amount:

150

BACK

TOP UP

MEMBER FUNCTIONALITY contd

-
- Choose the amount they wish to top up or choose Other and input the amount (as defined in the Wallet setup).
- Click Top Up - the member must complete all the mandatory fields on the Integrated Payments page, mandatory fields are marked with *.
- Complete Card Number, Expiry month/year and CVC
- Click Pay Bill

The payment completes and the wallet is topped up. If there are any issues with the card this should display on screen to the member. The member will receive an email confirming payment for the top up.

Note that the card details are stored in the member's associated Stripe account. Any future top ups will use the stored card details; however the member can change their card details at any time by going to Membership, Dashboard and click Update Card Details.

Wallet Transactions

Members can view their wallet transactions through Membership > My Wallets. All wallet top ups and purchases are shown for the last 30 days.

TRANSACTIONS				
All Wallets		Last 30 Days		
Wallet	Transaction Type	Transaction Amount	Transaction Time	Transaction Notes
Flex Points	Purchase	10.00 pts	16/06/2020 11:11	Teetime booking
Flex Points	Topup	120.00 pts	16/06/2020 09:00	Initial balance

PAYMENTS

Viewing Payments

To view all payments that have been received for top ups, follow these steps:

- Navigate to BRS Memberships, then choose the View All Payments option on the dashboard.
- You can search for a specific member name, payment amount, payment type etc and choose a date range.
 - Click the Calendar icon to set a date range.
- The data can be exported in a spreadsheet by clicking the download icon ()

The data is divided into several columns:

- Payment Reference - this is automatically generated and provides some brief information on the payment.
- Payment Date - the date on which the payment was made.
- Player Name - name of the member the payment relates to.
- Payment Amount - the value of the specific payment.
- Payment Direction - Credit indicates money coming in, Debit indicates outgoing money from the likes of a refund.
- Payment Status - shows if the payment has been Completed, Cancelled. Scheduled, or if there has been an error with the attempted payment.
- Payment Type - shows the method of payment, note that 'Online' means indicates the payment was made through the online payments platform.

As previously mentioned in this guide, the Flex Memberships module uses our online payments platform known simply as ‘Payments’ to handle online payments. The Payments platform is also used to handle online open competition payments, visitor green fees, and payment request emails.

- Log in to BRS.
- Navigate to the Tools area.
- Scroll down to the grey coloured block of tools titled 'BRS Payments'.
- Click on the Payouts tool.
- Click on the value in the Amount column.

This data can be sorted by clicking on a column and can also be downloaded in spreadsheet (CSV) format or printed by using the respective buttons in the above screenshot. Payouts are paid into your nominated bank account on a rolling, 7-day schedule each Monday.
